• Ability to work effectively with data systems and office software such as Word, Excel, PowerPoint, Access, Colleague, Sharepoint, and SQL Reports.
• Ability to communicate effectively by phone, in person, and in writing.
• Ability to produce accurate reports under time pressure, when needed.
• Ability to proofread, identify significant details, verify researched data, and locate information in electronic and published sources.
• Ability to establish and maintain effective working relationships with students, faculty, and staff.
• Ability to use a personal computer and other office equipment.

PHYSICAL DEMANDS

The physical demands described in the Essential Duties and below are representative of those that must be met by an employee to successfully perform the essential duties of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential duties.

The employee may be required to travel.

WORK ENVIRONMENT

All employees are responsible for maintaining an environment that is free from discrimination, intimidation, harassment, including sexual harassment. Work is normally performed in a typical interior work environment.

SAFETY

TWU promotes a safe working environment. Employees are responsible for completing assigned tasks safely and efficiently, and supervisors are responsible for creating and maintaining a safe work environment. Employees must report any unsafe work conditions or practices, as well as any near-miss incidents, to their supervisor and Risk Management. Supervisors and employees should ensure that injury/accident reports are submitted to the Office of Human Resources and Risk Management within 24 hours of the incident.

The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.
