EXPERIENCE

Two years experience in generally related area.

REQUIREMENT

Regular and reliable attendance at the University during regular scheduled days and work hours is an essential function of this position.

KNOWLEDGE, SKILLS, AND ABILITIES - The following are essential:

• Knowledge of sports nutrition education for health/wellness programs.
• Ability to translate the latest scientific evidence into practical sports nutrition recommendations.
• Ability to maintain professional competency and skills required for professional practice.
• Ability to organize work effectively, conceptualize and prioritize objectives and exercise independent judgement based on an understanding of organizational policies and activities.
• Skills in oral and written communication.
• Ability to maintain good working relationships with students, faculty/staff, clients, and others.
• Ability to integrate resources, policies, and information for the determination of procedures, solutions, and other outcomes.
• Ability to apply budgeting and fiscal planning techniques within financial constraints.
• Ability to use a personal computer and other office equipment, including university software and email.
PHYSICAL DEMANDS

The physical demands described in the Essential Duties and below are representative of those that must be met by an employee to successfully perform the essential duties of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential duties.

The employee may be required to travel.

WORK ENVIRONMENT

All employees are responsible for maintaining an environment that is free from discrimination, intimidation, harassment, including sexual harassment. Work is normally performed in a typical interior work environment.

SAFETY

TWU promotes a safe working environment. Employees are responsible for completing assigned tasks safely and efficiently, and supervisors are responsible for creating and maintaining a safe work environment. Employees must report any unsafe work conditions or practices, as well as any near-miss incidents, to their supervisor and Risk Management. Supervisors and employees should ensure that injury/accident reports are submitted to the Office of Human Resources and Risk Management within 24 hours of the incident.

The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.
