• Responsible for establishing job standards for subordinate staff and effectively evaluating staff under charge. The performance evaluation is conducted through the performance evaluation system and in accordance with the University Policies & Procedures.

ADDITIONAL DUTIES

• Assists with health related events and functions.
• Performs other duties as requested.

EDUCATION

Master’s Degree in Physical Education, Recreational Administration, Sports Management/Administration, Kinesiology, Exercise Science, Health Administration, Facilities Management, or a related field required.
EXPERIENCE

Eight years experience in a comprehensive recreation environment with experience in management of professional staff; experience in a university setting is preferred. Candidates should hold appropriate memberships and certifications, including membership to the National Intramural-Recreational Sports Association (NIRSA) and/or American College of Sports Medicine (ACSM). Position may require non-standard work hours (nights and weekends).

REQUIREMENT

Regular and reliable attendance at the University during regular scheduled days and work hours is an essential function of this position.

KNOWLEDGE, SKILLS, AND ABILITIES - The following are essential:

- Ability to plan, direct, and evaluate a complex operation, using human resources, time, funds, and other resources for the accomplishment of long-term and short-term goals of the institution.
- Ability to establish and maintain effective work relationships with students, faculty, staff, and the public.
- Ability to provide administrative guidance within area of responsibility, providing direct training and supervision as needed.
- Ability to manage budgets and fiscal affairs and to develop and implement assessment and strategic planning methods, preferably in a college or university setting.
- Ability to organize work effectively, conceptualize and prioritize objectives and exercise independent judgment based on an understanding of organizational policies and activities.
- Ability to integrate resources, policies, and information for the determination of procedures, solutions, and other outcomes.
- Ability to communicate effectively -orally, by phone, in person, and in writing.
- Ability to use a personal computer and other office equipment, including university related software and email.

PHYSICAL DEMANDS

The physical demands described in the Essential Duties and below are representative of those that must be met by an employee to successfully perform the essential duties of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential duties.

The employee may be required to travel.
WORK ENVIRONMENT

All employees are responsible for maintaining an environment that is free from discrimination, intimidation, harassment, including sexual harassment. Work is performed indoors and/or outdoors.

SAFETY

TWU promotes a safe working environment. Employees are responsible for completing assigned tasks safely and efficiently, and supervisors are responsible for creating and maintaining a safe work environment. Employees must report any unsafe work conditions or practices, as well as any near-miss incidents, to their supervisor and Risk Management. Supervisors and employees should ensure that injury/accident reports are submitted to the Office of Human Resources and Risk Management within 24 hours of the incident.

The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.
