JOB DESCRIPTION

TITLE

Manager, Landscape Operations

JOB SUMMARY

Manages the care and maintenance of 263 acres of campus grounds. Supports construction and maintenance activities. Provide direct oversight of all athletic fields and coordinates NCAA requirements with the Director of Athletics. Duties include the supervision and coordination of workers engaged in areas such as grounds equipment operations, landscape construction projects, tree trimming, pest control, street and road repair, sanding crew, and general grounds improvement maintenance. Responsibilities also involve the utilization of experience and established practices to improve maintenance procedures, grounds conditions, in-service training, analysis of equipment utilization and needs, and record keeping of project labor costs. Work is performed under general supervision of the Director of Physical Plant and performance is based upon completion of assignments and results obtained. The performance evaluation is conducted through the performance evaluation system and in accordance with the University Policies & Procedures.
