JOB DESCRIPTION

TITLE

Academic Certification Analyst III

JOB SUMMARY

Performs responsible work associated with helping students achieve teacher or advanced certification in their chosen field, with ensuring that students have met all state requirements for certification, and with conducting academic advising for students in undergraduate and post-baccalaureate programs. Serves as a resource for Educator Preparation Programs (EPP) across campus regarding academic and certification advising. Works with students in an effort to help individuals select, outline and achieve educational developmental goals. Work is performed under minimal supervision and evaluation is based on completion of assigned duties and overall effectiveness. This position is responsible for independently performing confidential duties and non-standardized work. The performance evaluation is conducted through the performance evaluation system and in accordance with the University Policies & Procedures.
