JOB DESCRIPTION

TITLE
Associate Director Employer Relations, Technology and Office Operations

JOB SUMMARY
Position works extensively with employers on a number of fronts and is responsible for the supervision and or direct development and implementation of strategic initiatives designed to significantly increase TWU’s visibility and stature among top employers in the region and beyond. Develops, manages, and implements all on-campus recruitment. This will include, but not limited to on-campus interviews, career fairs, networking and other employer centric events. Offers effective services toward exposing employers to TWU student and alumni talent. Position may work with University Advancement to help engage employers for further relationship building. The position is responsible for staying current on employment trends and issues and communicating them to appropriate audiences, (students, faculty, administrators and leadership). Responsibilities also include, implementation and maintenance of technology necessary to serve employers and students, online resume database, student tracking, and website. Work is performed under general supervision and performance evaluation is based upon completion of assignments and results obtained. The performance evaluation is conducted through the performance evaluation system and in accordance with the University Policies & Procedures.
