JOB DESCRIPTION

TITLE

Director, Disability Services for Students

JOB SUMMARY

The Director of Disability Services for Students is responsible for the overall leadership, vision, management, and program direction for Disability Services for Students (DSS) on the Denton, Dallas, and Houston campuses. This position provides departmental, Divisional, and University leadership to support the University in efforts to create equitable access to learning. The Director supervises all staff in DSS, serves as a disability subject matter expert for the University, coordinates appropriate accommodations for students in the classroom and in the use of University facilities in order to provide equal access to educational opportunities at TWU. The Director provides counseling and guidance to assist students with disabilities in their transition and adjustment to the University, accepts and reviews disability documentation, and determines appropriate accommodations in the classroom and other campus activities. This involves administrative responsibilities for successfully leading a comprehensive program to ensure access for students with disabilities, including response to changing needs and developing best practices. Work is performed under minimal supervision with broad latitude for initiative and independent judgment and performance is based on the effective operation of the department. The performance evaluation is conducted through the performance evaluation system and in accordance with the University Policies & Procedures.

ORGANIZATIONAL RELATIONSHIPS

Reports to:  Associate Vice President for Student Enrichment, Health & Support

Supervises:  Supervises all departmental staff

ESSENTIAL DUTIES - May include, but not limited to the following:

- Serves as primary knowledge expert on disability services and helps establishes priorities for the University.
- Develops and implements communications focusing on the department’s services and programs for students with disabilities.
• Responsible for developing and maintaining policies and procedures (i.e. determining eligibility, provision of accommodations, interpreting services, testing center, etc.), priorities, and long-range goals for the implementation and coordination of a comprehensive program of services to meet the needs of students with disabilities.
• Designs all programs and services within the framework of state and federal regulations, currently accepted learning theories, best practices in the profession and available financial resources.
• Evaluates, verifies, and interprets documentation from various professionals (physicians, psychologists, psychiatrists, neurologists, etc.) to determine eligibility for services.
• Supervises, hires and evaluates all staff in the department; directs and assigns duties and responsibilities, establishes job standards, and expectations.
• Provides new students with orientation to disability services within the higher education environment by providing information regarding services, resources and channels for requesting and acquiring assistance.
• Advocates for students as needed regarding possible solutions to academic barriers resulting from disabilities.
• Provides disability-related advising, counseling, support and advocacy to students.
• Leads programmatic efforts focused on skill development (self-advocacy, time management, communication, etc.) and academic success of students with disabilities and tracks/monitors progress.
• Provides interpretation and assistance in implementing the Americans with Disabilities Act (ADA) and the Rehabilitation Act to faculty, staff, and administrators.
• Builds associations and manages relationships between the University and community resources.
• Advises students, faculty, and departments on appropriate and recommended reasonable accommodations.
• Acts as mediator between faculty and students for disability-related grievances.
• Responsible for the overall budget for the department; reviews and approves expenditures; responsible for all aspects of fiscal operations for DSS.
• Responsible for all DSS testing operations.
• Provides training and consultation to faculty and departments on disability awareness, reasonable accommodations, and Universal Design.
• Builds associations through participation in professional organizations and professional development activities and facilitates professional development among DSS staff.
• Assures and maintains effective case management system including case tracking, review and analysis.
• Responsible for the acquisition, maintenance, and coordination of the use of adaptive equipment and software.
• Collaborates with the Office of Technology on the placement of adaptive technology.
• Collaborates with state agencies who provide services to individuals with disabilities.
• Collaborates with designated university committees in response to and investigations of any formal discriminatory complaints by students with disabilities.
• Responsible for establishing job standards for subordinate staff and effectively evaluating staff under charge. The performance evaluation is conducted through the performance evaluation system and in accordance with the University Policies & Procedures.

ADDITIONAL DUTIES

• Performs other duties as requested.

EDUCATION

Master’s degree in Counseling, Psychology, Disability Studies or related field required.

EXPERIENCE

Five years of post-graduate related administrative and/or counseling experience. Five years of related professional experience with increasing responsibility, including management or partnership with programs and services for students with disabilities. Experience interpreting and applying applicable state and federal laws, and regulations pertaining to disabilities including the Americans with Disabilities Act (ADA), the Americans with Disabilities Act Amendments Act of 2008 (ADAAA), Section 504 of the Rehabilitation Act. Knowledge of disability issues and best practices in the provision of services to students with disabilities in a college setting.

REQUIREMENT

Regular and reliable attendance at the University during regular scheduled days and work hours is an essential function of this position.

KNOWLEDGE, SKILLS, AND ABILITIES - The following are essential:

• Ability to plan, direct, and evaluate a complex operation, using human resources, time, funds, and other resources for the accomplishment of long-term and short-term goals of the institution.
• Proven ability to evaluate and interpret disability documentation to implement reasonable accommodations.
• Ability to professionally and appropriately manage sensitive and confidential information.
• Knowledge of various diagnostic assessments commonly utilized to identify limitations experienced by individuals with disabilities preferred.
• Understanding and experience with assistive and accessible information technologies, including best practices.
• Ability to establish and maintain effective work relationships with students, parents, faculty, staff, and the public.
• Ability to present comprehensive evidence-based information to administration, faculty, staff, and student groups.
• Ability to provide effective representation of disability accommodations and support service issues in the campus community.
• Ability to provide administrative guidance within area of responsibility, providing direct training and supervision as needed.
• Ability to apply budgetary and fiscal planning techniques within financial constraints.
• Ability to organize work effectively, conceptualize and prioritize objectives, and exercise independent judgment based on an understanding of organizational policies and activities.
• Ability to integrate resources, policies, and information for the determination of procedures, solutions, and other outcomes.
• Ability to communicate effectively in various forms with diverse populations.
• Ability to use a personal computer and other office equipment, including university related software and email.

**PHYSICAL DEMANDS**

The physical demands described in the Essential Duties and below are representative of those that must be met by an employee to successfully perform the essential duties of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential duties.

The employee may be required to travel.

**WORK ENVIRONMENT**

All employees are responsible for maintaining an environment that is free from discrimination, intimidation, harassment, including sexual harassment. Work is normally performed in a typical interior work environment.

**SAFETY**

TWU promotes a safe working environment. Employees are responsible for completing assigned tasks safely and efficiently, and supervisors are responsible for creating and maintaining a safe work environment. Employees must report any unsafe work conditions or practices, as well as any near-miss incidents, to their supervisor and Risk Management. Supervisors and employees should ensure that injury/accident reports are submitted to the Office of Human Resources and Risk Management within 24 hours of the incident.
The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.
