JOB DESCRIPTION

TITLE
Director, Construction Services

JOB SUMMARY
The Director is responsible for assisting the Associate Vice President with the University's aesthetic appeal, the structural and functional integrity of its facilities, and the sustenance of campus ambience, as it relates to buildings. This requires senior level professional expertise to coordinate the oversight of construction. Provides construction management oversight capital renewal and renovation programs. Assures construction program management and oversight of major construction, deferred maintenance, and in-house build-to-suit projects. Assures that all University construction and consulting services meet a 30 percent goal for HUB participation, and adheres to the University's quality requirements. Duties and responsibilities are relevant to the Denton, Dallas and Houston campuses. Work is performed under minimal supervision and performance is based on the effective operation of the administrative function. The performance evaluation is conducted through the performance evaluation system and in accordance with the University Policies & Procedures.
